2	0	mobile same (wireless adj access adj network) same external same common (network same system same architecture) and (management same resource) and (manageent same mobility)	USPAT	2004/08/31 16:57
10	0	seamless\$4 same integrate same wireless same network	USPAT	2004/08/31 16:57
1	19	mobile same (wireless adj access adj network) same external	USPAT	2004/08/31 16:58
3	1	(fourth adj generation) same wireless ((fourth adj generation) or (4G)) same wireless	USPAT	2004/08/31 16:58
4	12	455/560.cccls.	USPAT	2004/08/31 16:58
5	23	455/\$.cccls. and (network adj architecture)	USPAT	2004/08/31 16:58
6	479	455/\$.cccls. and (network adj architecture) and resource and mobility	USPAT	2004/08/31 16:58
7	553	(network adj architecture) and resource and mobility	USPAT	2004/08/31 16:58
8	129	and (management same resource) and (managament same mobility)	USPAT	2004/08/31 16:59
9	317	(network same system same architecture) and (management same resource) and (management same mobility)	USPAT	2004/08/31 16:59
11	1	(network same system same architecture) and (management same resource) and (management same mobility)	USPAT	2004/08/31 16:59
12	133	(network same system same architecture) and (management same resource) and (management same mobility)	USPAT	2004/08/31 16:59
13	91	(network same system same architecture) and 4g	USPAT	2004/08/31 16:59
14	43601	wireless same (network or system or communication)	USPAT	2004/08/31 17:00
15	685	wireless same (network or system or communication) and heterogeneous	USPAT	2004/08/31 17:01
16	183	wireless same (network or system or communication) and heterogeneous and (455/\$.cccls. or 370/\$.cccls.)	USPAT	2004/08/31 17:01
